WOMEN & FAMILIES GAIN INDEPENDENCE

Recipients said:

- ▶ *“I could believe in life once more, and know that despite suffering there is a light at the end of the tunnel. That with effort, knowledge, and education we can live our dream. I serve as an example for many women whom I visit in my work because I am a community health agent. My family can have peace and security and know that I am really good despite everything bad I've been through.”—Brazil*
- ▶ *“If you try, you can achieve your dreams! I want to be successful and to be a help to others later.”—Korea*
- ▶ *“I have been able to continue in my education and received a BSW. I will begin a Master's program in a few weeks and will be working towards my MSW. The Live Your Dream Award gave me the start and the validation that I needed at a dark time of my life to believe in myself again.”—USA*
