Organizational Profile

Founded in 1931, the San Diego Club is part of Soroptimist International, a world-wide service organization with over 66,000 members in 120 countries or territories. Soroptimist has consultative status with the Economic and Social Council at the United Nations and is a recognized authority on matters that women value most.

Organizational Mission

Soroptimist is a global volunteer organization that provides women and girls with access to the education and training they need to achieve economic empowerment.

Recognition Program

The Women of Accomplishment Award program acknowledges women who, through their personal or professional activities, are working to improve the lives of women and girls. The work of these women helps to promote the issues that are important to the Soroptimist organization. Honorees are ordinary women who have worked in extraordinary ways to benefit women and girls. The program enables our club to thank these women and encourage others to explore ways to assist women and girls.

Eligibility Requirements

Women who are improving the lives of other women or girls through their professional or personal activities are eligible for the Women of Accomplishment Award. These women have identified, focused on, and significantly improved a need in the community.

Although a woman may be honored for a lifetime of good work, the majority of the work should have occurred within the past two years. Previous award winners and Soroptimists are not eligible for the award. The nomination must be submitted by January 23, 2024. The announcement of winners will be made by February 20, 2024, and she must be present to receive her non-cash award at the “Make Yourself Count” Live Your Dream Awards Luncheon on March 9, 2024.
